**6 Wedging the wand**

**Tip:** Wedging your magic wand in between the cushions of the couch or between the madras' or the frame of the bed provides freedom to push against it while being otherwise stimulated.

**7 Lying down with legs across partners hip**

Her legs are wide enough apart for the magic wand to touch her clit.

**8 With her head resting on partners thigh**

Her legs are wide enough apart for the magic wand to touch her clit.

**Tip:** This position benefits particularly well from a large cushion or two to support the partner.

**Tip:** if the height level is a bit uneven level out using pillows or cushions.

**9 Her on her back (missionary)**

Partner leans up enough for a magic wand to fit.

**Tip:** putting a cushion under her back elevates the pelvic floor providing more room for maneuvering. Stacking several cushions allows the partner to balance on their knees freeing up more space for using the wand.
